WHAT IS THE CURTIN PAEDIATRIC PHYSIOTHERAPY CLINIC ALL ABOUT?

We aim to deliver a FREE early intervention service for the Cockburn community.

We also provide a quality learning experience for physiotherapy undergraduate students placed on half day visits to observe paediatric assessment and intervention during the clinic.

Qualified physiotherapists, experienced in the area of paediatrics, will chat to you about your concerns and conduct an initial assessment/treatment session.

WHO CAN VISIT THE CURTIN PAEDIATRIC PHYSIOTHERAPY CLINIC?

Any baby or child aged 0 – 6.

Parents and carers with concerns or questions about their child's physical development

HOW CAN I MAKE AN APPOINTMENT TO VISIT THE CURTIN PAEDIATRIC PHYSIOTHERAPY CLINIC?

- By telephone: call **9494 3702** to book an appointment.
- In person: drop to the Cockburn Integrated Health & Community Facility during our clinic times– we are in the Group Room.
